FROM THE PRESIDENTS DESK:

G'day Everyone

Hope you are all coping with these very cold days this winter.

Thank you to all members who contributed to the Bric a Brac auction last month, that is of course to those who contributed their treasures to be auctioned and to those who spent some of their hard-earned dollars to make it a success. Thank you to **Bruce McIntosh** for acting as the auctioneer and to his helpers.

As you are aware the Spring Show occurs on the weekend just prior to our next meeting, which although not ideal, there is not much we can do about it. Those with computers can download the Show Schedule from the MUOS website. The Spring show is the biggest we have during the year as many plants will be in flower, so it will be held in the larger area upstairs in the Civic Centre. Set up will be on the Friday beforehand and benching will be from 2.00pm to 4.00pm. Late entries will not be accepted. Once your plant has been benched and positioned to its greatest advantage, do not handle your plant again until the show closes. Judging starts at 8.00am on Saturday morning. If anyone can help setting up the tables from 12.00 on the Friday, you will be most welcome, 'many hands' as it is said. Please do not water your plants for 2 days prior to benching. Please complete your tags and entry form before you arrive if possible. Please check your plant is categorised with the correct Section and Class. More than anything let's hope for a sunny weekend.

We are going to display some plants in and around the café to advertise the show, so if you have a plant or two that is in flower but not of show quality we can use, please bring them with you.

Bob Bishop will be speaking to us at our September meeting, the title of his talk has been changed to 'Diseases and Pests that affect orchids'. Bob has available New Zealand bark, charcoal, and perlite. Please order through **John Harriman** at least one week prior to the meeting.

The bi-monthly Novice Corner at General Meetings will be run by **Bob Harper** until **John Clancy** is well enough to resume. Get well soon **John**.

We will also have a wrap up of the Spring Show.

See you at your Spring Show

Rod
