FROM THE PRESIDENTS DESK:

G'day Everyone

Hope you are all rugging up well during these very cold and windy days and nights we have been experiencing this winter.

The Winter Show, as it happened was, the very worst of the weather descended upon us. It was a horror. Lucky for our sister clubs on the South Coast who all had sunny days for their shows. Despite this we had a very good benching of 123 plants, for which I thank you all. There were some spectacular blooms and I hope that the public enjoyed your efforts. Congratulations to all those who received awards from the judges. A big 'thank you' to all the members who turned up to help.

Well, it is on to the Spring Show, set down for 10 & 11th September, so please note your diaries - now. Let's hope for better weather.

Next meeting is the Bric a Brac auction. We have not had one of these for a couple of years, so for the information of new members, we bring in surplus items in your possession that you will not need, bring them in and we will see if anyone is interested in purchasing the item.

Bruce McIntosh will be our auctioneer. All proceeds go to the club. Please ensure the item is clean and working properly (if applicable). Orchids and other plants are acceptable and must be free of disease.

This is the time of year that many of our orchids begin flowering, especially natives such as Dendrobiums including Speciosums that start to spring up. With all the rain we have been having they may have very wet feet, so keep the hose in its place, and give them some time to dry out. If you need some help with any of your orchid plants, do not hesitate to bring it to the next meeting for someone have a look at it for you, and give you some good advice.

I look forward to seeing you all on 8th August.

Rod

Get Well Wishes

to any club member recovering from treatment, surgery or sickness . :)

The committee would like to thank those generous members that provide the goodies for afternoon tea and also the members who bring in plants etc. for our monthly raffles. Also we thank the people who help set up and clean up the hall as with many hands it doesn't take very long.

-REMEMBER -
Please do not water your plants before benching them, at our meetings or shows, as it makes quite a mess. Thank you. :)
