FROM THE PRESIDENTS DESK:

G'day Everyone

Here we are again, the end of another year. I suppose we can at least say it was somewhat better than the previous two in terms of pandemics, and as a result the normalisation of activities in the Club.

We were, hopefully, able to bring to our members a diverse array of speakers, who spoke to us on subjects such that we were all able to learn something. I hope you all enjoyed our monthly meetings, not only from what we could learn, but for the wonderful camaraderie there seems to be amongst everybody.

Thank you to all those members who brought in plants to auction at our last meeting, there were many more than expected, so I apologize for the meeting going on a little longer than usual. I noticed that novice members were in the forefront of the buyers, which was good to see, and a great way to purchase some plants at very reasonable prices. We all look forward to seeing some spectacular flowers next year.

Despite a changeover in the lessee of the Civic Centre Management this month, an outside caterer has been arranged to supply our Christmas Party lunch. Please make sure your \$20 payment has been received by our Treasurer at least one week before the December 12th and advise him of any special food requirements.

Once again I am sorry, I cannot be with you at the Christmas Party this year, I leave you in the safe hands of vc Bob Harper.

Wishing you and your families a very Happy Christmas and prosperous 2023.

Rod

" For those wanting Bob Bishops bark please phone John Harriman on 44439462 - . John will be bringing bags to the meetings each month or you can collect from his home - please phone and ask him if you require bags brought to the meeting .

OVER THE BREAK.

Over the break, keep an eye on your orchid house for those plants, that are not progressing.

The paling leaf, the chewed off aerial roots or the colour change in the bulbs, these are all warning signs of problems happening.

Check your orchid house at night and catch those grasshoppers or other night time predators.

Feel those bulbs for softness, which could be a sign of rot.

Check the plant with the paling leaves— too little light, too light water or maybe too much light.

Move them if needed—for light changes. Lifting and knowing how heavy they should be, will tell you of the water issues.

Don't put off that regular inspection over Christmas, your orchids need your attention and care.

Tidy up and rearrange, so you will have room for all the orchids , Santa will leave you, under the Christmas tree.

THANK YOU

Thank you to all who have donated. Everything is thriving at the block. I still have more room for fruit trees, vegetable and herb seedlings and cuttings—anything that produces edible products.

Thank you A.M.

We stock an extensive product range for all your orchid needs.

Gwen Gosewinkel

Sincere condolences to Les Gosewinkel and his family, on the loss of Gwen, his wife.

The committee would like to thank those generous members that provide the goodies for afternoon tea and also the members who bring in plants etc. for our monthly raffles. Also we thank the people who help set up and clean up the hall as with many hands it doesn't take very long.

-REMEMBER -

Please do not water your plants before benching them, at our meetings or shows, as it makes quite a mess. Thank you. :)

**MERRY CHRISTMAS &
A HAPPY HEALTHY NEW YEAR 2023,
from the Committee,
Milton Ulladulla Orchid Society.**
