FROM THE PRESIDENTS DESK:

G'day Everyone

Another wet week is upon us, my orchid plants are getting a good feed from the rain, so it is a good time to write. It is also time to start your repotting schedule, now that most of the flowering has finished. Always use new bark and a suitable fertiliser when repotting. Watch out for dendrobium beetles, the little varmints are around.

I want to thank all members who attended our last meeting for their input to the discussion we had relating to the Native Show. I am sure the Committee learned a lot from your comments and ideas, I know I did. The Committee have decided that having 3 shows per year is too much, and that and for other reasons have decided not to continue with a Native Show next year.

I am currently compiling the programme for 2023, so if there is anyone you would like to hear speak, or event you would like to do (or not do), please let me know ASAP.

The Christmas party this year will be held on Monday 12th December, 12.00 - 3.00pm, upstairs in the Civic Centre A two course meal plus tea & coffee will be provided. Cost \$20 for members and \$35 for non -members attending. The Club subsidising \$15 per member. We will need to advise the caters of numbers attending by 10th December. Please pay next meeting or remit directly to the bank account, details of which is in this newsletter.

The November meeting will be our 'anything orchid auction', which means accessories used in the growing of orchids, as well as the plants themselves are able to be auctioned. Please place a tag with your membership number on all items you wish to be paid for, otherwise any money raised on the item will go to the club.

Cheers

Rod

The committee would like to thank those generous members that provide the goodies for afternoon tea and also the members who bring in plants etc. for our monthly raffles. Also we thank the people who help set up and clean up the hall as with many hands it doesn't take very long.

-REMEMBER -
Please do not water your plants before benching them, at our meetings or shows, as it makes quite a mess. Thank you. :)
