FROM THE PRESIDENTS DESK:

G'day Everyone

'Spring has sprung, the grass is ris, I wonder where the birdies is. The birds have flown away. They'll come back another day'.

Springtime does that to some of us, we get a bit happy and daft, just good to see the winter cold go away, I guess.

Sorry I could not be with you at the September meeting, a bit under the weather. Thank you to **Bruce McIntosh** for stepping in for me. I gather Bob Bishop gave a very good talk.

The Spring show was a beauty. The display of orchid flowers was terrific, and the scent was formidable. Over 200 plants were benched, close to a record. The attendance from the public was also outstanding and the interest in the sales tables was, and I hate to use the word, 'unprecedented'. Over 500 plants were sold on the Saturday, and we had to race around for more for Sunday. Congratulations to all those who benched plants, and to the place winners and Champions. Thank you to all the members who turned up and helped with the numerous jobs that needed to be done to make the show a success. Special thanks to **Michael Wright** who stepped in at the last minute to take on the potting demonstrations.

Just as we get over one show, we must get ready for the last show of the year, the Native Show. This is the first time we have tried this, so it's all a bit new. It will be a one-day event on Saturday 8th October at the Civic Centre. Please check the show schedule for Classes, as they are different from other shows. Set up will be on Friday 7th October 2-4pm. Please give us a hand on the Saturday if you can and get those plants ready.

Next meeting, Monday 10th October just after the Native Show, will also include the Annual General Meeting. If you are interested in joining the Committee, please contact the Secretary for a nomination form.

Enjoy the warmer weather
