MESSAGES:

1] This **August meeting** is our auction.

Meeting is upstairs.

2] Please bring in your grow plant—it is the one that novices received earlier in the year. Any Intermediate or Open grower, who bought one, can also bring it in.

3] Our Spring Show is fast approaching and we need helpers and exhibitors. So please come along.

4] Bringing in supper and / raffle items is always greatly appreciated. Thank you to those who usually do. Raffle items do not have to be plants.

5] 50th Anniversary Dinner is on Wednesday, September, 20th at the Ulladulla Civic Centre.

Please contact Keith Moody if you are coming.

Invitation is in this newsletter with details.

6] Due to pictures etc, rather than restrict the information from Jane Wright's excellent talk and slide show, on Pests and Diseases, it will be in the next newsletter. A.M.

Covid is still active. Masks are an option. If unwell please stay home and feel better soon. :) A.M

NEXT MEETING:

Monday, 11th September 2023 - At this meeting our Bric-a-brac auction. Bring your \$\$\$:)

WHERE:- Civic Centre Ulladulla [main street].
There is parking available around the back. :)

August Raffle Winners

R. Thomas 5, M. Martin 4, M. Higgins 3, R. Baker 3, S. Gallant 3, R. Spry 2, R. Boyd 2, M. Wright 2, A. M. Collins 2, A. Moody 2, J. Hunter 1, B. Harper 1, L. Cleaver 1, & J. Church 1.

Congratulations to the winners and thank you to everyone who bought tickets. A special thank you to those who donate to our raffle. A.M. :)

Our August raffle table

—after the first few draws, we were allowed to pick two plants as our winnings. This made it quicker but still lots of fun.

FROM THE PRESIDENT'S DESK:

G'day Everyone

I do not know what you all think, but it seems to me that our flowering season has come very early this year, no doubt due to the very dry winter we have had. I noticed at the winter show there were some very early flowers benched, some usually we do not see until spring. The little rain we have had this month is a help, but more is needed.

The road accident near Jarawangala on the day of our last meeting resulted in fewer members attending, but those who did, had the luxury of listening to Dr Jane Wright talk about viruses and diseases that we all experience in our orchid growing. It was most interesting, and we all were much more knowledgeable afterwards.

Which takes us on to next meeting on 11th September which is our Bric a Brac auction day, and a chance for you to get rid of those unwanted items at home, for the benefit of MUOS. Orchid associated items can be included. Please remember the meeting will be held UPSTAIRS again. Please bring your items into the venue VIA THE REAR DOOR and NOT through the café. All proceeds go to the club.

As it just feels like the Winter Show was yesterday, the Spring Show is upon us on 9th & 10th of September. The show will be held on the lower level, where we usually meet for monthly meetings. As you know, the Spring Show is the big one for us. Might be a good idea to start preparing your plants now. Plant sales will be located in the lounge area. Set up will commence at 12.00noon and benching will be 2.00pm-4.00pm on Friday 8th September. Judging starts at 5.00pm. Show schedules and benching forms are available on line .Please make sure your plants are free from pests and disease. If you can help out, and have not advised me already, please let me know by email or phone.

As you may remember earlier this year, you asked for a luncheon to celebrate our 50th anniversary, well, that time is here. Your committee has been working very hard, over many months to put all this in place, the cost to the club is quite high too, so I am hoping for a good roll up. Details are available elsewhere in this newsletter, so please give us your support for this unique occasion.

Happy growing

Rod

Some of our 2023 Winter Show winners receiving their trophies.

2023 Calendar of Events

CHAMPION FERN OR FOLIAGE Syngonium Wandlandii Nephthytic PAT & GARRY
CALLAUGHAN

NOVICE— HELP [AND FOR NON-NOVICES as well].

LEARNING CIRCLE— for Novices but all are welcome.

Michael was very helpful with an orchid that was brought in for discussion. It is very hard to see if an orchid needs repotting, dividing, help with root growth and how to tidy it up, ready for benching when you are a novice. So novices, feel free to bring in that orchid you are just not sure about—Michael will go over it and help you.

What to do for your orchids in Spring was in previous newsletters, but will in the next newsletter again. If you have a topic you would like spoken on or helped with—approach Michael—he is a very friendly and knowledgeable grower.

 Luke Forster - Manager

-REMEMBER -
 Please do not water your plants before benching them, at our meetings or shows, as it makes quite a mess. Thank you. :)
