MESSAGES:

1] This **August meeting** we will have Jane Wright, speaking on orchid pests and diseases—she is an excellent speaker with a wealth of knowledge to share. She is also bringing plants to sell, most of them we would rarely get the chance to buy.

Meeting is upstairs.

2] Please bring in your grow plant—it is the one that novices received earlier in the year. Any Intermediate or Open grower, who bought one, can also bring it in.

3] Our Winter Show went very well, with many happy winners, buyers and sellers.

4] Bringing in supper and / raffle items is always greatly appreciated. Thank you to those who usually do. Raffle items do not have to be plants.

5] We need bases from 1.25l plastic bottles for posy making at our shows this year. Also recyclable plastic bags—save them too.

6] **50th Anniversary Dinner is on Wednesday, September, 20th at the Ulladulla Civic Centre.**

Invitation is in this newsletter with details.

Covid is still active. Masks are an option. If unwell please stay home and feel better soon. :) A.M

In our August Newsletter there will be a complete list of our Winter Show Champions and photos of them, with their orchids and plants. A.M. :)

JULY 2023

NEXT MEETING:

Monday, 14 th August 2023 - At this meeting our speaker is Jane Wright, talking on orchid pests and diseases. She will also be bringing plants for sale. Bring your \$\$\$:)

WHERE:- Civic Centre Ulladulla [main street].
There is parking available around the back. :)

July Raffle Winners

M. Wright 4, H. Thompson 4, A. Moody 3, J. Verdino 3, A. Neilsen 3, A.M.Collins 2, R. Thomas 2, R. Boyd 1, T. Scott 1, M. Higgins 1, P. Owen 1, I. Smythe 1, & M. Montebello 1

Congratulations to the winners and thank you to everyone who bought tickets. A special thank you to those who donate to our raffle. A.M. :)

GOOD BYE TRISH SCOTT

Trish is moving away and we will miss her.

She also had her birthday at our

2023 Winter Show.

FROM THE PRESIDENT'S DESK:

G'day Everyone

Since our last chat we have not had hardly a spot of rain, our water tanks are probably very low or empty, so it's back to hand watering. Be careful not to water too often as roots will rot, amongst other things.

In August we will welcome back Dr Jane Wright who will talk to us about diseases and virus that we may find in our orchids, and what to do about it. We all know about mealy bug, scale and beetles, but there are plenty more nasties waiting to pounce. Jane will be bringing plants for sale as well.

The Committee met on 27th July and finalised plans for the Spring Show on 9th & 10th of September. Show schedules will be available at the August meeting. The Show Marshall has asked that notification of a benching rule that is not being adhered to be recorded on the show schedule.

If you have a plant that you are concerned about, or need some advice, please bring it to the meeting in a plastic bag and leave outside.

The Committee also endorsed plans for the 50th Anniversary lunch on 20th September.

Elsewhere in this newsletter you will find your official invitation to this event. If you know any former members who would like to come, please forward a copy of the invitation to them.

We have kept the cost as low as we can but will still result in a significant cost to the Society. This is a once off celebration, and I hope we get a good attendance.

The show schedule for the internal native show in October was also discussed with the assistance of Peter Stubbs.

Look forward to seeing you all on 14th August.

Rod

Some of our 2023 Winter Show winners receiving their trophies.

 Luke Forster - Manager

The committee would like to thank those generous members that provide the goodies for afternoon tea and also the members who bring in plants etc. for our monthly raffles. Also we thank the people who help set up and clean up the hall as with many hands it doesn't take very long.

-REMEMBER -
 Please do not water your plants before benching them, at our meetings or shows, as it makes quite a mess. Thank you. :)
