Spencer. Our youngest visitor

As we haven't a speaker for March Meeting now is the chance for you all to bring in any orchid plants you are worried about, also leaves but please put them in a plastic bag.

Don't wait until it's too late to save them, get advice now.

As you know, visitors are always welcome so if you have a friend that would like to come to one of our meetings, please bring them. Also, it's very important for you all to attend Meetings when we have a guest speaker. It is hard to get speakers that live reasonably close thereby not costing the Club too much in petrol money. To see a 'full house' of members on these occasions makes the speaker feel even more welcome. Please bear this in mind.

I apologise for not putting more Xmas photos in but I had a lot of trouble doing this Newsletter, it didn't go together as well as last time. President, Sylvia Hawkins
