CHAMPION NOVICE:- Joanne Church with Den Unknown

CHAMPION SEEDLING:- Liz Cleaver & Tony Groube with Cym. tracyanium Spice x death Wish 'Saratoga'

PRESIDENT'S REPORT ON WINTER SHOW

I am very pleased to report our Winter Show was more than I expected. We had 144 plants benched and although numbers were a bit down, we had a nice variety of orchids and, without a doubt, a very successful Show considering some of our members were hampered by frosts which unfortunately kept the number of orchids benched down a bit.

Congratulations to all the winners and I thank everyone that benched their orchids. Without you, there wouldn't be a Show. Also, many thanks to the members' that turned up to help, not only on Saturday and Sunday but also with the setting up on the Friday. The Show was set up in record time allowing everyone to get away home earlier than expected. Our members, when benching their orchids, worked well with the Show Marshalls who did a great job.

We opened the doors at 10am and within the first hour had approximately one hundred visitors. What a terrific start to our Winter Show. The two days saw many visitors and, of course, we attracted many travellers passing through Ulladulla. At this point I would like to thank the locals that support our Shows, returning every year and those that willingly put our 'flyers' in their shop windows, restaurants etc. With the continued support throughout the Illawarra district and our members, MUOS will always strive to put on a good Show despite unseasonal weather conditions.

Could all the people who won trophies at last years Spring Show and haven't returned them yet please remember to bring them to the August Meeting. Thank you.

The committee would like to thank those generous members that provide the goodies for afternoon tea and also the members who bring in plants etc. for our monthly raffles. Also we thank the people who help set up and clean up the hall as with many hands it doesn't take very long.
